To the Board for Directors

INDEPENDENT AUDITOR'S LIMITED ASSURANCE REPORT ON STATKRAFTS' SUSTAINABILITY REPORTING FOR 2022

This Independent Auditor's Limited Assurance Report to the Board of Directors of Statkraft AS (Statkraft) relates to information in the sections "Sustainability" and "Sustainability Statement" (the "Selected Information") within the Statkraft Annual Report for the reporting period ended 31 December 2022.

Our assurance conclusion

Based on our procedures described in this report, and evidence we have obtained, nothing has come to our attention that causes us to believe that the Selected Information, as listed below has not been prepared, in all material respects, in accordance with the Applicable Criteria.

Scope of our work

Statkraft engaged Deloitte AS to provide an Independent Limited Assurance Report in accordance with International Standard on Assurance Engagements 3000 (Revised) Assurance Engagements Other than Audits or Reviews of Historical Financial Information ("ISAE 3000 (Revised)"), issued by the International Auditing and Assurance Standards Board ("IAASB") and our agreed terms of engagement.

The Selected Information in scope of our engagement, as presented in the Annual Report, for the period ended 31 December 2022 is as follows:

Selected Information in the Annual Report	Applicable Criteria
Section: Sustainability, except information about EU Taxonomy alignment presented under "Sustainability at a glance"	Reporting in accordance with the GRI Standards 2021, pursuant to Statkraft disclosures under the Global Reporting Initiative (GRI) Index in the section
Section: Sustainability Statement	Sustainability Statement.

In relation to the Selected Information, as listed in the above table, the Selected Information needs to be read and understood together with the Applicable Criteria.

Inherent limitations of the Selected Information

We obtained limited assurance over the preparation of the Selected Information in accordance with the Applicable Criteria. Inherent limitations exist in all assurance engagements.

Any internal control structure, no matter how effective, cannot eliminate the possibility that fraud, errors or irregularities may occur and remain undetected and because we use selective testing in our engagement, we cannot guarantee that errors or irregularities, if present, will be detected.

The Board of Director's responsibilities

The Board of Directors are responsible for:

- Selecting and establishing the Applicable Criteria.
- Preparing, measuring, presenting and reporting the Selected Information in accordance with the Applicable Criteria.

Key procedures

We are required to plan and perform our work to address the areas where we have identified that a material misstatement of the description of activities undertaken in respect of the Selected Information is likely to arise. The procedures we performed were based on our professional judgment. In carrying out the limited assurance engagement on the description of activities undertaken in respect of the Selected Information, we performed the following procedures:

- Obtained an understanding of Statkraft systems and processes for the identification, processing and controls associated with the Selected Information.
- Made inquiries with relevant personnel to obtain an understanding of the process for collecting and reporting the Selected Information, and relevant internal controls; but did not evaluate the design of particular control activities, obtain evidence about their implementation or test their operating effectiveness.
- Performed limited substantive testing on a selective basis of the Applicable Criteria to test whether data has been appropriately measured, recorded, collated and reported.

Side 2

The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.
